# DRIVER EXTREME®

## DRX2020

Sure-Lock Nickel chrome plated heavy duty mic clip.

## DRX7110

6' 14 gauge heavy duty 3 pin power cord & 8 amp inline fuse.

## DRX7120

6' cig plug 14 gauge heavy duty 3 pin power cord & 8 amp inline fuse.

## DRX9010

Communication grade 15 watt, 6 Ohms 5" wedge speaker. Superior voice sound & extreme clarity, 10' - 20 gauge cord with 3.5 mm plug.

## DRX2440

3" (h) x 1" (w) heavy duty 3/8"-24 thread Stainless steel antenna spring with inside braided copper wire.

## C-CHANNEL MOUNTS

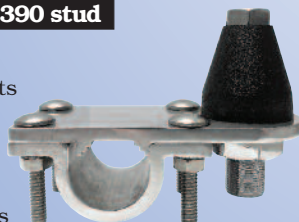

Constructed of aircraft extruded aluminum with DRX2390 stud

## DRX3232

1-1/8" Channel mount fits Freightliner mirror arms

## DRX3242

1-1/4" Channel mount fits Navistar & Volvo mirror arms

## DRX6030

Compact 100 watts SWR/Power meter & 18" coax.

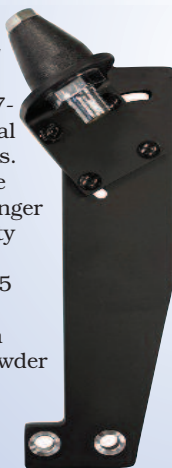

## DRX7050

Universal line noise & electrical interference filter, (0-20v DC @15 amps continuous, 20 Amps peak).

DISPLAY**

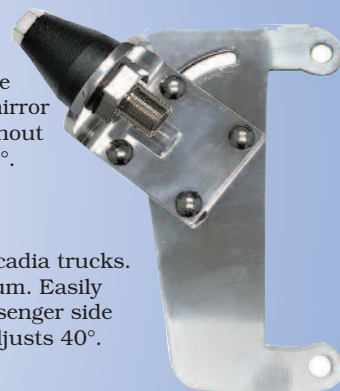

## DRX3702

Door hinge mount for 2017-Up International LT series trucks. Attaches on the driver or passenger side. Heavy duty mount is constructed of 5 gauge aircraft aluminum with black matte powder coated finish.

## DRX3502

Mount for 2008-2019 Freightliner Cascadia trucks. Constructed of 5 gauge aircraft aluminum. Easily attaches to mirror arm on the driver or passenger side without drilling holes. Forward angle adjusts 60°.

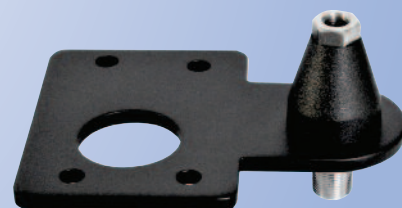

## DRX3552

Mount for 2017-Up Freightliner P4 Cascadia trucks. Constructed of 5 gauge aircraft aluminum. Easily attaches to mirror arm on driver or passenger side without drilling holes. Forward angle adjusts 40°.

## DRX2390

Heavy Duty 3/8"-24 threaded SO239 stud. 1" Stainless Hex base, stud constructed of Stainless steel, encased in ABS plastic.

## DRX3402

Magnum heavy duty extra large double slotted mirror mount with DRX2390 stud, fits arms up to 2.5" wide and is constructed of .250 thick aircraft quality extruded aluminum.

## DRX3682

Mirror arm mount with DRX2390 SO239 stud is designed for 2013-Up Kenworth T680/T880 trucks. Bracket is constructed of 5 gauge aircraft aluminum, easily attaches to the mirror arm on the driver or passenger side without drilling holes.

## 38 SPECIAL

UNIVERSAL PRETUNED DESIGN

Dual conductor 3/8" diameter linear load fiberglass CB antenna comes pretuned. Constructed from dual solid Copper insulated wires, brass/chrome ferrule

**DRX5301** 30" tall, 250 Watts

**DRX5421** 42" tall, 350 Watts

**DRX5541** 54" tall, 450 Watts

**DRX5601** 56" tall, 500 Watts

## SILVER BULLET

Designed For Today's Trucks

Silver Bullet 1/2" diameter Fiberglass tuneable tip wide band (CB 26-29 MHz, AM/FM 88-108 MHz & WX 162-166 MHz) antenna is designed with 15 gauge solid Copper high voltage insulated wire, brass/chrome ferrule

**DRX4321** 32" tall, 1,000 Watts

**DRX4401** 40" tall, 1,000 Watts

**DRX4481** 48" tall, 1,250 Watts

**DRX4561** 56" tall, 1,500 Watts

**DRX4661** 66" tall, 1,500 Watts

## STAINLESS MOUNTING BARS

## DRX1750

4-1/2" long for Volvo trucks

## DRX1850

6-1/2" long for Freightliner Cascadia

## DRX1950

6" long for Spot mirrors

**M213™ superior RG-213 coax cable with 15 gauge stranded copper wire, 100% Aluminum foil tape, 96% tinned Copper braiding & black PVC covering, enables power handling & prevents signal loss. Includes easy-on UHF connector.**

**DRX1509** 9' single lead cable

**DRX1512** 12' single lead cable

**DRX1518** 18' single lead cable
