# PRESIDENT

Want an **uninterrupted chat**
with your group on **CB Radio**?

You need
FM CTCSS/DCS
PRESIDENT

Means you only **hear signals
you want** in the group

PRESIDENT AM/FM CB Radio with CTCSS/DCS
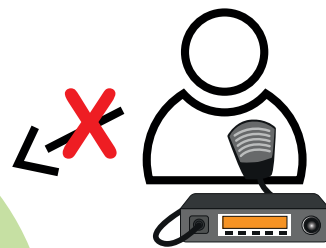

**HARRISON FCC
AM/FM**

**RANDY II FCC
AM/FM**

These CB radios can be used as normal to communicate on any of the 40 channels of AM/FM that pick-up signal from all users in range.

However, if your goal is to listen to only signals from your group you can select any FM channel, **enable a common CTCSS/DCS code and communicate within your group.**

Other CB users
without CTCSS/DCS

Other CB users
without CTCSS/DCS

Your group
